

# POINT HOLMES RECREATION ASSOCIATION (PHRA)

Newsletter - 2023

Hello to all PHRA Members:

Our fiscal year begins again on April 1, and it's no joke, we all will need new fishing licenses and PHRA ramp stickers! I hope you all had a great season on the water last year, there were some nice fish in our local waters.

We appreciate the support we receive from both our PHRA members and corporate sponsors, it allows us to keep moving forward with the maintenance of the ramp and waterfront. It is always amazing to check the RAMPCAM and see the Point Holmes Wild Swimming Society enjoying their daily dip in the waters year-round! The members of this group contribute donations to PHRA, so please cheer them on when you see them, and always be on the look out for swimmers in the water!

Our beaches and boat ramp are getting busier each summer, please be careful and be patient as we all share this wonderful resource together.

Our annual spring cleanup will be held April 22, Earth Day. Everyone is welcome to stop by, pitch in, and if the weather is good, we will have the bbq fired up! 2023 stickers will be available too.

If you haven't seen the PHRA RAMPCAM, check it out at [www.pointholmesrecreation.ca/rampcam/](http://www.pointholmesrecreation.ca/rampcam/). It is a solar powered webcam, you can watch the sunrise and check the weather and tides. Share with your friends!

Stay healthy, stay safe, and get out and enjoy the water this summer!

Please contact us for more information!

Thank you for your support,

Rob James

PHRA President
