## Newsletter - Spring 2019

Hello to all PHRA Members,

- Here we are springing into 2019, let's hope for some good news from DFO on April 1<sup>st</sup>!
- After nearly 2 years of planning and fundraising, we are ready to begin the project to replace the old pavilion. The existing structure will be removed early April, and the foundation poured for the bigger timber frame pavilion that has been constructed by Island Timber Frame. PHRA is providing the labour to assemble the many timbers that have been pre-cut by ITF. It is going to be an amazing new feature on the waterfront, and we could use your help, staining the timbers, helping to erect the frame, and installing the metal roofing. Many hands make light work! Please contact me if you can offer a few hours of your time.
- The ramp surface is in great shape after Tayco's patching last year. We didn't complete the concrete apron work last year, so that is also on our list of tasks for April-May 2019. Again, contact me if you can help out.
- Our PHRA RAMPCAM has been impressive over this past winter, the solar batteries have been performing very well. With the addition of a timer, we were able to shut the system down from 6 pm – 6 am. Currently we are online 6 am – 8 pm, and very soon it will be back up to 24/7. I hope you have been able to enjoy it, and share it around the world with family and friends.
- The Cape Lazo Campground store will be open again starting March 27. Stop in and see Stephanie and Jeff, pick up a coffee and your 2019 PHRA membership stickers.
- Lastly, join us again for another **Beach Cleanup & BBQ, Saturday 20 April**, 10 am-2 pm. Last year a good crew showed up and we got a lot done, mowing, raking, building picnic tables, and collecting a pile of trash from the beach. The now infamous PHRA Chili Dogs are a huge hit!
